### Note about DS-2019 and DS-7002 (T/IPP)

ISSS will complete the DS-7002 Training/Internship Placement Plan (T/IPP) and a copy must be sent to the intern and supervisor for review. Please notify our office if corrections are needed. If all is correct, both the student intern and the supervisor will need to sign their respective signature page. Once each individual has provided the signature page, please send a scanned copy to ISSS. Our office will complete the DS-2019 and send with the T/IPP to the department. The T/IPP will contain the ISSS advisor’s original signature. The department should insert the original supervisor signature page and ship both forms to the Intern. The intern will need to sign both the DS-2019 and T/IPP before his/her visa interview.
